

## Our Purpose

Our purpose and goal is to offer a variety of good old Gospel music by some of your favorite Holiness artists that may be hard to find.

We are working to build this site for everyone from solo artist to large choirs. Many local artists have no outlet for their products due to either high costs of online stores or not knowing where to start. This is where Redemption Music can help. We offer a low cost option that will fit any budget.

## What We Offer

- A 24 hour storefront (<http://www.redemptionmusic.org/catalog>)
- Billing and Payment Processing (Visa, M/C, AMEX, Discover, PayPal and Cash)
- Product Shipping.
- Track preview (MP3 format) for CD projects.
- One dedicated artist page for product description / preview. Each artist will receive one page for each different product category. One page for CDs, one page for Videos, etc.
- Artist picture listing with contact information.
- Bio information, written by the artist, can also be incorporated into the website if desired.

## What Will It Cost?

Since all of our CDs are *currently* sold on a consignment basis, we're able to offer our services at a VERY reasonable cost.

- Setup Fee of \$10 for the first item and \$5 each additional item.
- 20% of the normal selling price of the item(s).  
EX. If a CD usually sells for \$15 we would send you a check for \$12.  
This 20% is also used to give our customers discounts on the product or run periodic specials.
- There are **NO** monthly recurring costs.

That's it! No hidden costs. We will take care of the cost of shipping and credit card processing.

## How To Get Started

Here is a list of things you will need to provide to us. These items can be sent to the address listed below.

- A minimum of 5 copies of each product you desire to list. This allows us to keep a sufficient stock level when it is time to request additional product from you.
- Picture(s) of the group or artist. This picture will appear in the online store next to the picture of each product when ordering. These pictures can be sent in digital format through e-mail or in hard copy with the rest of the items.

- Picture(s) or artwork of each product. This will be used in both the online store and on the main website. Again, these pictures can be sent in digital format through e-mail or in hard copy with the items. If you would like us to take the pictures directly off of the item, please include one additional item that we may open and scan the pictures.
- For all CDs you wish to list, please include one additional CD that we may open and extract the track previews from. This may be the same item used to scan the product pictures above.
- Include product pricing for single item sales as well as combination package discounts if any.
- Your contact information such as mailing address, phone number, e-mail address and/or website. For Progressive Systems to issue you a check monthly, we will require a mailing address and phone number. For contact information you do **NOT** wish to appear on the website, please note them.
- Any bio information that you would like listed on the artist page. This is optional and is not required.
- Check / Money Order for the setup fee.

Please send all of this information to the address below.

### **Frequently Asked Questions (FAQ)**

**Q:** When will I get paid for the sale of an item?

**A:** You will receive a check from Progressive Systems Design & Development at the beginning of each month for all online sales.

**Q:** How do you cover shipping costs?

**A:** When a customer places an order through the online store, they are presented with several shipping options. Based on their selection, shipping costs are automatically calculated and added to the total cost of the order.
